

Market Drayton League AGM update 3rd Feb 2021

"Julia Davies, Prees Bowls Chairperson, and Sue Taylor, Secretary, attended the Market Drayton League AGM on Zoom last week.

The main points were:

Tilstock's proposal for the Whitchurch League to overarch the Market Drayton League was not carried. The voting was 10 for, 18 against, 2 abstentions. It was pointed out that the WL executive had not made this proposal to the WL members for their approval, therefore, how could Tilstock be making this proposal for them!

The MDL executive could not see the League starting in April or May. The Chairman, Eddie Broad, has made the suggestion that if the League started on 10th June each division would contain 10 teams. A 2nd July start would reduce the divisions to 8 teams. Clubs would be given a months notice to say how many teams they had. If no League bowling, possibility of merits and competitions being played so that people could choose to play or not.

Chris and Graham Sayers are the new joint secretaries. Neil Morris from Hodnet has joined the management committee. Competitions Secretary is vacant (Jamie Brooks has resigned). If interested please contact the Sayers on casayers@yahoo.com

Honoraria and match fees to remain as agreed for 2020. Tax will be paid on honoraria.

The Whitchurch League have postponed their AGM - no new date given as yet. The Market Drayton Seniors AGM is on 17th February.

Once again, take care all.

Regards.

Sue Taylor
